

Keress meg mindhárom téglalapban azt a képet,  
amelyikből csak egy darab van!

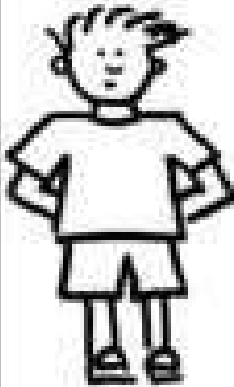

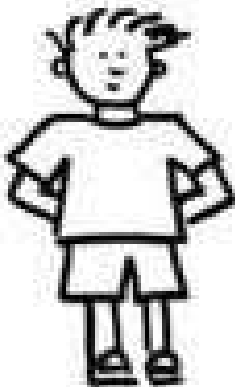

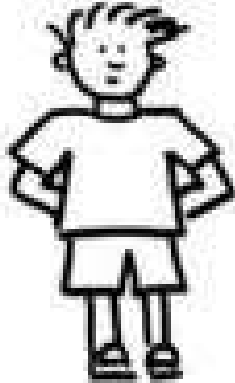

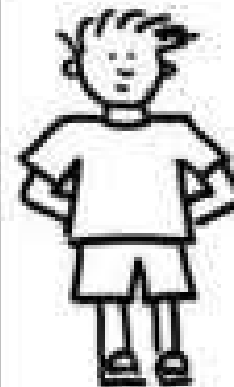

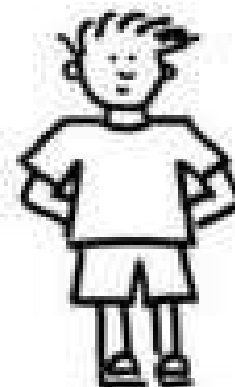

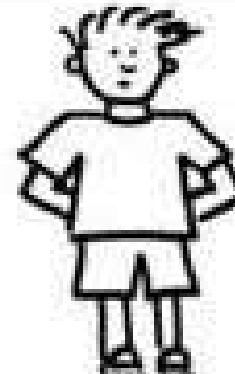

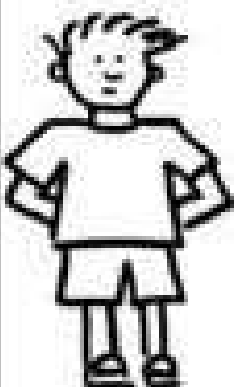

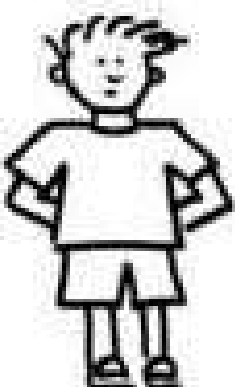

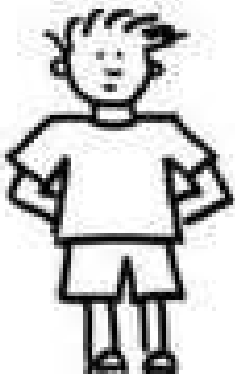

Színezd ki a báránykát, vágd ki, majd ragaszd össze!

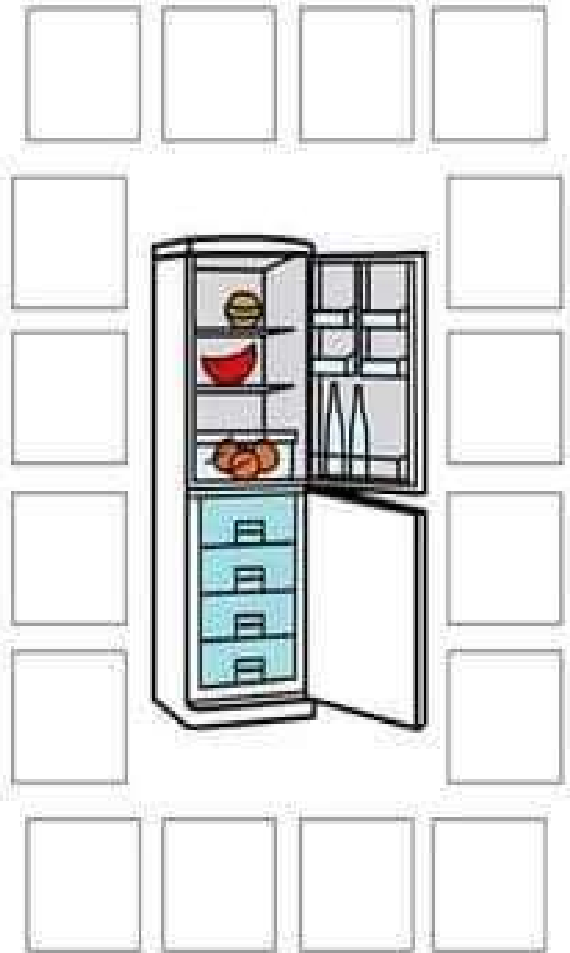

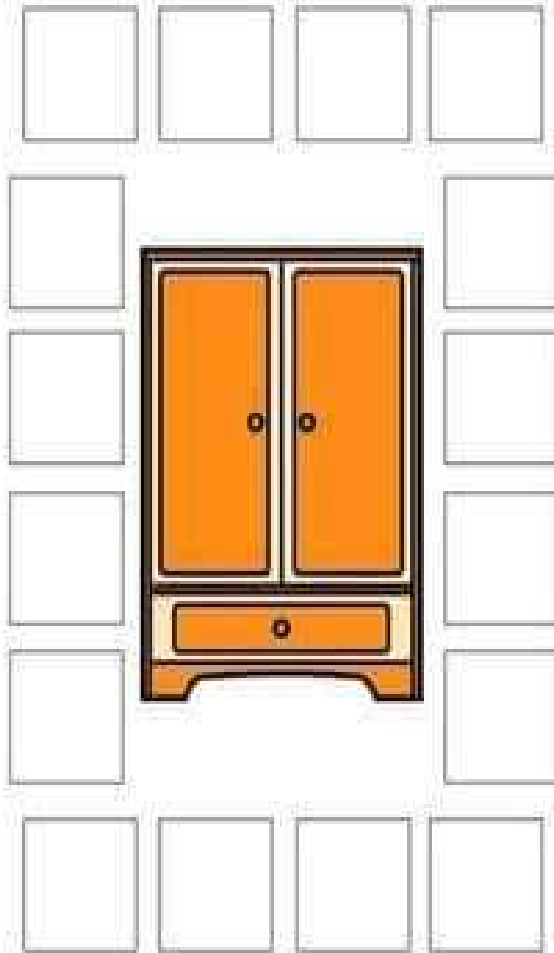

Melyik járműből hány van? Számold meg és tegyél annyi pöttyöt a megfelelő kockába!

			
			
			
			

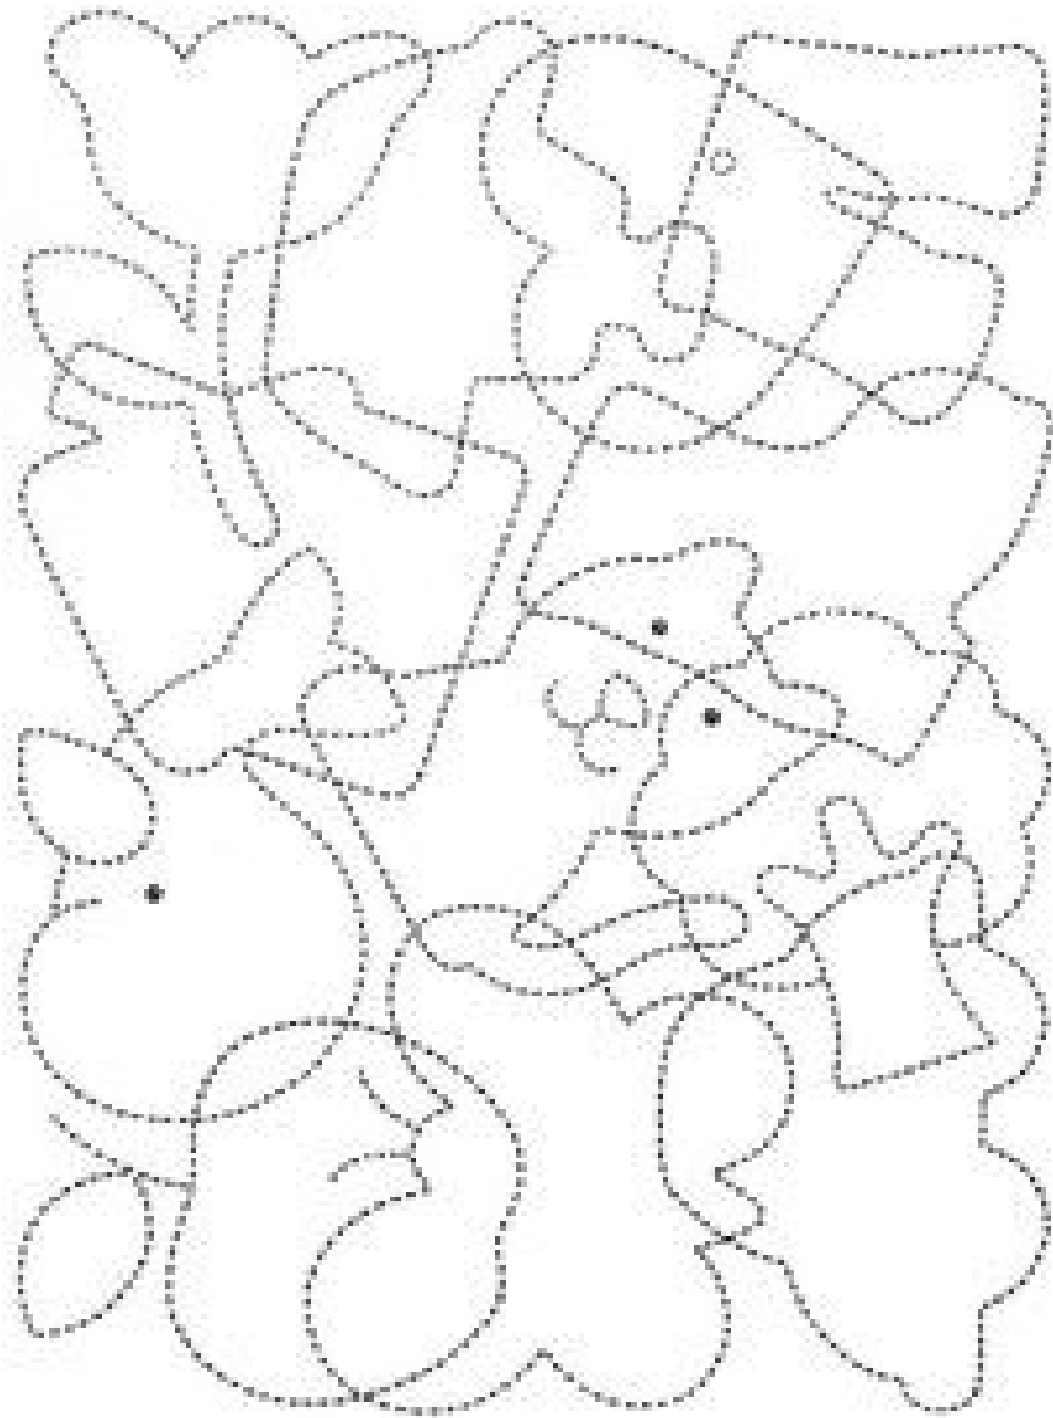

Színezd a kisiújk ruháját a soroknak és az oszlopoknak megfelelően!

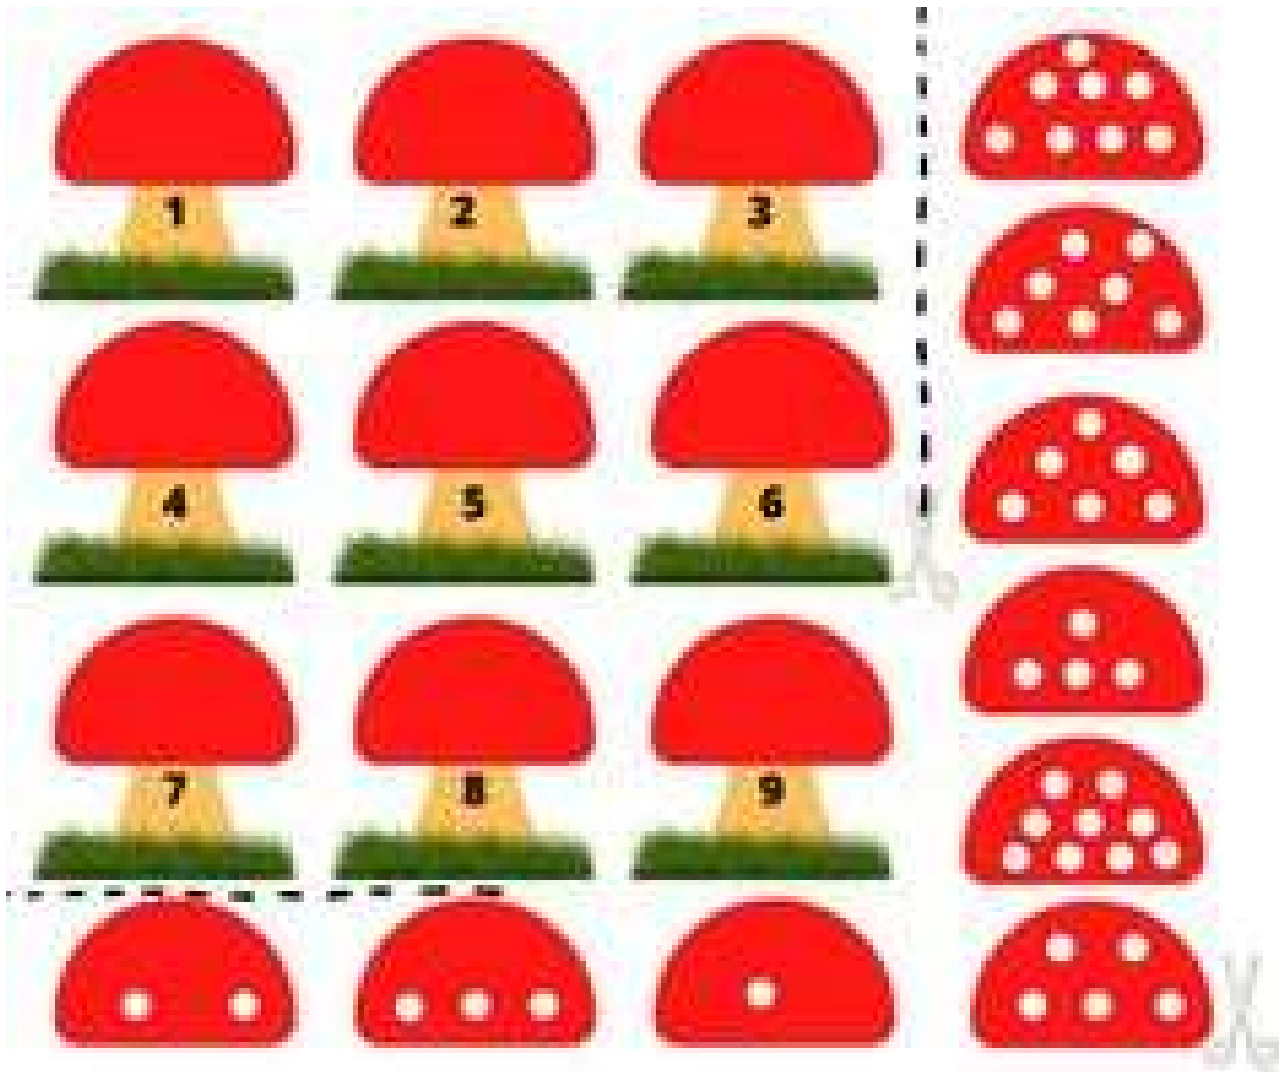

Mi való a szekrénybe és mi a hűtőbe? Rakiál rendet!

Hány féle formát látsz? Rajzold át a körvonalukat, ha kedved van, ki is színezheted őket!

Vágd ki a kalapokat! Hány pöttye van a gombáknak? Számold meg és ragaszd a helyére!
